O R D E R

On September 18, 2000, Cumberland Falls Highway Water District ("Cumberland Falls") applied for authority to increase certain non-recurring charges and revise its tariff language. Cumberland Falls submitted cost justification forms demonstrating that the costs associated with the non-recurring charges exceed the amounts of the proposed charges.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. The proposed charges are the appropriate amounts to charge for providing the associated services.
2. The charges set forth in Appendix A of this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in Appendix A are approved for services rendered on and after the date of this Order.

2. The proposed tariff sheets filed by Cumberland Falls are approved as filed.

Done at Frankfort, Kentucky, this 17<sup>th</sup> day of November, 2000.
